

The 2018 Cricklands National

The
David Broome
Event Centre

Dear Competitor

Thank you for your entry for this year's Cricklands National. We are fortunate to have a large entry so we are set for a busy few days. The team here at Cricklands will do their utmost to ensure that your trip to Wales is enjoyable for you, and also a good experience for your horses and ponies.

For this to happen, there are a few rules that we would be grateful if you could adhere to:

1. On arrival, please park where instructed. Those that have booked electric hook up will have priority so that they can be near to the electric points.
2. Once the office is open, please don't forget to bring your declaration form and payment for start fee and any other outstanding items to the office when you collect your paperwork.
3. When training and warming up for dressage and cones, please ensure that you pick up any droppings from any of the all weather surfaces. We will do this for you when you are competing in the main arena.
4. We have quite a lot of horseflies at the moment, particularly in the training field and Arena 2. Please be prepared for them.
5. There will be some shavings in most of the stables, as they have all been used over the previous weekend. We only permit shavings and these can be purchased, if required, on site from the stable manager. You will also be able to buy small bags of haylage from here. Large bales must be ordered before arrival so that they can be delivered to your stables.
6. There will be a briefing to explain the process of getting drivers from the training field to Arena 1 on Thursday evening at 8pm. Please make sure you are aware of the system.

- The permanent toilets and showers can be found on the map. There is a chemical toilet emptying point in the lorry park. Please use this and do not empty chemical toilets into the permanent toilets.

If you have any questions at all, please don't hesitate to contact me on 07966 294743. In the meantime, I hope you have a good trip and I shall look forward to welcoming you on Wednesday and Thursday. Don't forget to tell the operators on the Severn Bridge that your lorry has living accommodation so that you get across for £5.60 rather than £16.70.

James
