Safeguarding Equestrian Sport

British Carriagedriving has adopted the British Equestrian "Safeguarding Equestrian Sport" policy, which is available for download (see below). British Carriagedriving encourages all Affiliated Clubs to do the same.

BC and its Affiliated Clubs are committed to providing a safe and enjoyable environment for children, young people and adults at risk.

Whether involved in Competitions or any other Events organised by British Carriagedriving or by Clubs affiliated to British Carriagedriving, including activities such as training and coaching events, courses, assessments and professional development days, all those participants have a right to be safe and protected from harm.

The British Carriagedriving Safeguarding Lead is:

Suzanna Anslow
