

“Incorporating Horse Welfare into Our Training and Driving Routines”

Tue 30 Sep, Wed 1 Oct 25

Unicorn Equestrian Trust, Stow on the Wold, GL54 1JZ

Driver sessions throughout each day with Trainers Robert Buck and Sara Howe, both of whom are very successful international competitors. Sessions will include simple:

Suppling exercise patterns
Self balancing exercises to encourage stiff ponies to develop
ABC of Cone driving
Development of approaching Obstacles

Drivers, coaches and on foot delegates will benefit from the interactive sessions with lots to learn to incorporate into their training and driving routines when back at home
Opportunities (subject to availability) for delegates to experience being on the back step
Harness fitting help and advice available throughout each day

Day 1

Group session 1- Robert Buck:

Practical - lunging the driving horse, what a session should include, way of going for the horse, scales of training, essential safety equipment

Break out 1 – Anna Davison MCSP: –

Physio Talk/Demo – principles of equine physio and what the horse owner can do at home to maintain the horse’s health*

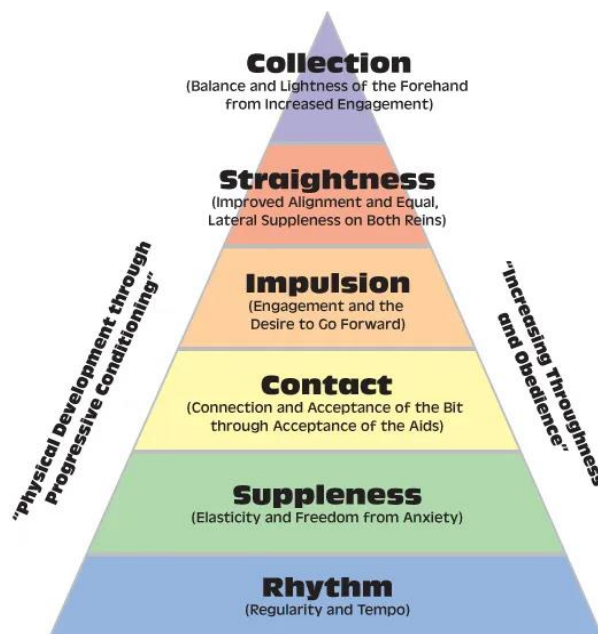

Break out 2: – Practical - RDA Nat Champs – review of the obstacles, walking routes to drive/alternatives and considerations for horse welfare when driving obstacles plus good basic design

7.30 Dinner and talk –

“Back from the World Para Championships”

*Anna is a Chartered Equine Physiotherapist and delegates with horses at this clinic can book a 30 min individual session with their horse for an assessment and a “take home” plan and video for £40 each

Please complete separate booking form to reserve your place

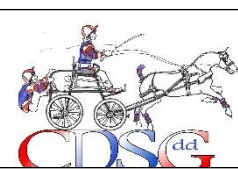

Day 2

Group session 2 – Robert Buck:

Practical - warming up the driving horse when in the carriage, exercises to use, their purpose and application

Break out 3 – Sara Howe – Q&A for new/trainee RDA Coaches, potential coaches and RDA helpers

Group session 3: Practical, fun and Interactive “*Judge what you See*” – driven demo dressage test marked by audience and discussion
